

# LIFE GROUP GUIDELINE

7 March 2023

## Preparation

As mentioned last week, this week is a Life Group count week. Aim for and pray for a full house. And use the evening to connect with one another, have some eats and share about John 15.

Please send the actual number of attendees through to [kirzanne@chooselifechurch.com](mailto:kirzanne@chooselifechurch.com)

## Fellowship

Have a longer time of fellowship at the start of the evening.

Open in prayer.

Icebreaker: What does being part of our Life Group mean to you?

## Worship

Songs of worship.

## Discipleship

1. Read John 15:1-11 and verse 16. Ask each person to share something that stands out for them.
2. Ask a few people to share a testimony. Either of the impact of not abiding, or of the effects of abiding in Christ.
3. In John 15 two fruit of abiding are highlighted. Answered prayer and having love for one another. Talk about this as a group and mention how the Father is glorified when we bear fruit.
4. Pruning! What are your thoughts about the Father being the vinedresser and pruning us?

## Ministry

Pray for one another in groups of 3.

## Evangelism

Do you know someone who would benefit from Sunday's sermon. Consider sending the Sermon recap to them.

**LIFE GROUPS | Better Together**

LIFE CHANGE HAPPENS BEST IN CIRCLES, NOT IN ROWS.
